

# STUCCO CEMENT

**T**ITAN AMERICA<sup>®</sup> Stucco Cement is specifically designed for the plastering trade. This product, the result of extensive testing and controlled production, has characteristics desired by the stucco applicator. Titan America<sup>®</sup> Stucco Cement, with proper proportions of sand and clean, potable water provides a smooth, workable mix that retains good consistency and develops a strong bond. While Titan America<sup>®</sup> Stucco Cement can inhibit moisture penetration, it is not waterproof and is not to be considered a moisture barrier for design or construction purposes.

- 🛠 Extended water retention
- 🛠 Superb workability
- 🛠 Reliable performance
- 🛠 Quality packaging
